The following document contains information related to H1B Work Visa applications in the United States of America from 2018 to 2022. This information was manipulated, standardized and organized with the objective of extracting the most valuable insights for those who are interested in starting this procedure.

Average Processing Time

14.18

Average Salary

$97,249

It can be established that the states that are requiring the most foreign workers are CA, TX and WA. Additionally, the industries requiring the most H1B Employees are Science, Manufacturing and Information. Therefore, It would be advisable to focus one' s career on these parameters. Keep in mind that the average salary in these cases is $97,249 for 2021 and 2022

top employed by state

Top employed positions

employer_name	Industry	Sponsored Employees	Average of prevaling_wage
Infosys Limited	Professional Scientific and Technical Services	105071	$87,166.50
Qualcomm Technologies Inc.	Manufacturing	93213	$114,404.45
Amazon.Com Services Llc	Retail Trade	86640	$102,870.04
Cognizant Technology Solutions Us Corp	Professional Scientific and Technical Services	39473	$89,944.62
Oracle America Inc.	Information	26184	$123,495.61
Total		**1622979**	**$96,957.55**

H1B dependent companies are those where over 15% of their total employers are non-US citizens. Out of these, we can see that Cognizant, Amazon, Tata Consultancy Services, Google and Microsoft. It would be useful to target any companies who are dependents as, they will either have no problem with hiring and sponsoring a foreign employee, but may actually see other languages or cultures as desirable traits when hiring.

H1B Dependent Companies

employer_name	Count of h1b_dependent
Cognizant Technology Solutions Us Corp	39473
Amazon.Com Services Llc	21663
Tata Consultancy Services Limited	21094
Google Llc	20031
Total	**985302**

Aplication Process By Month

As a final recommendation, it is advised to apply the process in the third quarter of the year (July-August-September) since there are fewer cases in process and this may influence the waiting time for each case.
